

To Whom It May Concern:

“The Texas A&M Foundation Building at the Jon Hagler Center” is a prominent landmark on our campus,” said Texas A&M Foundation’s Building Manager & Real Estate Administrator, Greg Galliher. “For the initial construction back in 1999, a reputable, high-quality roofing contractor was needed to do the work, and UNITED was chosen, who did an excellent job for us. When the time came to re-roof, UNITED was the obvious choice. We’re confident that the new Duro-Last system installed by UNITED will serve us well for years into the future.”

Sincerely,

Greg Galliher
